Aloha Parents & Guardians,

Each year, we notify you of your rights under **The Family Educational Rights and Privacy Act**, commonly known as **FERPA**. This annual notification includes information regarding your right to inspect and review your child's education records, your right to seek to amend the records, your right to consent to disclosure of personally identifiable information (known as "PII") from the records (except in certain circumstances), and your right to file a complaint with the Hawaii Department of Education and/or the U.S. Department of Education regarding an alleged failure by KPPCS to comply with FERPA. We also inform you of our definitions of the terms "school official" and "legitimate educational interest."

A "school official" for KPPCS for FERPA purposes is a person who serves Kona Pacific PCS in an academic, assessment, administrative, supervisory, or support staff position. This definition also includes a person with whom KPPCS has outsourced services or functions, such as a contractor or consultant; a person serving on an official KPPCS committee; or a person legitimately authorized to

assist another Kona Pacific school official in performing their professional KPPCS responsibilities.

Generally, a school official has a “legitimate educational interest” if the official needs to review an education record in order to fulfill his or her professional responsibility.

See the attached “FERPA & PPRA Notification Rights” for a detailed description of your specific FERPA rights. Please let Phil know if you have any questions about these rights.

Happy Labor Day Weekend!

We wish everyone a wonderful long Labor Day Weekend! We will see you on Tuesday, September 8!
