

**March 28, 2025**

**Aloha KPPCS Families,**

We had a fantastic first week back and a great start to our fourth quarter! Our whole school is excitedly preparing for May Day, learning hula and new songs to celebrate this special event.

Wishing you a wonderful weekend—we look forward to another great week ahead!

**Shout-Outs:** A big shout-out to Eli and Bodhi both in second grade for winning our weekly ticket drawing and showing Aloha values at school. We are so proud of our spectacular students!

**Change in Parking Lot Operations**

Our driveway will be under construction in the area where the tent is usually located for student drop-off and pick-up. **Starting Monday, March 31**, please be aware that the tent has been relocated. We kindly ask that you **do not** drop off or pick up students at the old tent location.

Mahalo for your cooperation and understanding!

### **Ag Work Day**

The Agricultural Committee is planning a round two work day for our school pumpkin patch on Monday, March 31st 2:30-4pm after school. We're hoping to continue to weed whacking the cane grass and cultivate the soil for planting. If interested, please come on out to help support this agricultural project for our school, and bring any extra weed whackers, hedge trimmers etc. if available. Thanks and see you there!
