## Give One, Take One!

Kona Pacific recently got a new bookshelf for the school. The new bookshelf was donated by the Ohana Association in early April. Now every student in Prekindergarten all the way to Eighth grade can borrow a book to take home! The bookshelf is located next to the 5th grade classroom, beside the benches. Book donations accepted; just drop off inside the new bookshelf.

## Meet Auntie Jaqulynn

I interviewed Jaqulynn, and she is a really cool person. She is a very sweet and kind hearted person. And some students need to open their minds to new things. She may teach differently but that is alright, because we have to learn to adapt to new situations. I asked Auntie Jaqulynn, "What do you like to do for fun?" She enjoys doing physical activities, like swimming, hiking, and paddle boarding. She also loves to make artwork, like painting, and making jewelry. I then asked, "What is your favorite subject to teach?" Her favorite subjects to teach are movement, art, and swimming. "Which class is your favorite?" Her favorite subject in school was history. "What is one of your hidden talents?" Her hidden talent is ice skating, and she also likes to surf. "What would the students be surprised to find out about you?" She used to live in Sweden.
